SUBJECT: CHAD: SECOND REQUEST TO DISCUSS EVACUATION
PLANNING WITH FRENCH

REF: (05) NDJAMENA 1450

(SBU) Reftel requested Department's approval to discuss contingency planning with the French Embassy in the event of civil unrest in Chad. Post repeats request for approval to discuss contingency planning, including sharing information with French Embassy in Chad on assembly points (including GPS information), number of eligible evacuees, potential evacuation routes and other relevant information as deemed necessary from post's Emergency Action Plan (EAP). As noted in reftel, if past experience is any guide, the Embassy and private American community may expect to be dependent on French provision of security during the initial hours of a crisis situation.
